

Aqua Botanica™ DHA

Plant Source Omega-3

PureGels® Aqua Botanica™ DHA is the premier, plant-based source of the essential Omega-3 fatty acid DHA. Naturally produced from marine algae, it is a non-fish oil alternative. DHA is a major structural component in the brain, retina, heart, and neural tissues. DHA may reduce the risk of coronary heart disease.* * It promotes healthy brain development, mental acuity, and visual function at every stage of human life.*
